

## Timken Farm 2007 Membership Form

Our shares are designed to provide ample produce for an average family. Our season is based on twenty weeks and begins in mid-May. Exact dates are weather and crop dependent. Cost of participation is \$550.00 per share. (Payment plans are available upon request) This reflects a \$27.50 weekly investment. We estimate our boxes will start out around 5 lbs and grow to over 20 lbs at their peak. Lettuce be your personal farmers! Please join us for a season of fresh organic fruit and vegetables.

Warmly,

Mark & Heather Timken

### Subscription Agreement:

I understand that I am making a commitment to Timken Farm Community Supported Agriculture and recognize that there is no guarantee on the exact amount of produce that I will receive for my share. The CSA harvest is protected by sustainable practices, such as organic soil improvements and crop rotation. I will share both the rewards and the risks of the growing season along with other members and the growers. It is my responsibility to pick up my share within scheduled pick up hours and return my box each week. If my share is not picked up, I understand that it may be donated. I also understand that Timken Farm will not be held responsible for any injury or accident incurred while visiting the farm.
